Autopsy Results

(BATON ROUGE, LA) – On September 15, 2017, my office conducted an autopsy of Maxwell Gruver.

The autopsy findings concluded that:
Manner of death is an accident
Cause of death is acute alcohol intoxication with aspiration.

The autopsy report and other related documents are not releasable at this time due to an ongoing investigation, however toxicology testing has indicated that Mr. Gruver's alcohol level was .495 at his time of death.

Our sincere condolences are extended to Mr. Gruver's family and friends.

For any questions, please contact the East Baton Rouge Parish Coroner's Office at 225-389-3047.
